Dear Class of 2015,

The Class of 2015 is an impressive group of young men and women. Throughout your high school careers you have achieved numerous academic, extracurricular and athletic accomplishments. You have extended the tradition of excellence that embodies Manchester Essex Regional High School. As you leave MERHS to continue your education, seek adventure, join the workforce, or pursue other interests, you will have the opportunity to continue your personal growth. You each possess your own strength, attributes, and talents which cannot be duplicated by anyone else. Cherish these gifts wisely. Have confidence in who you are. Do not be afraid to advocate for yourself. Be willing to be "you" even if it means straying from the norm.

Because of you, I enjoy every day that I work at MERHS. You make me proud to be a part of the Manchester Essex community. You have inspired me to continue my own growth as an educator.

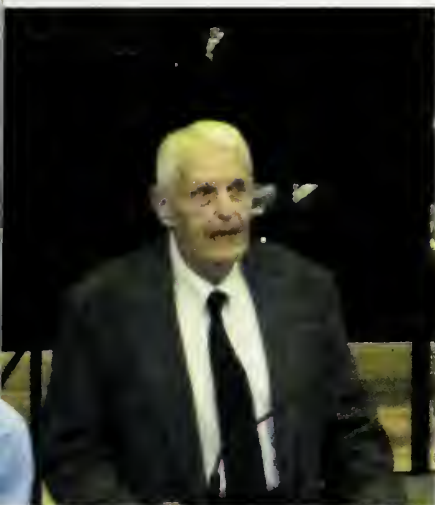

It has been a privilege to be your principal. Congratulations and best wishes.

Respectfully,
Patricia Puglisi

The Class Of 2015 Dedicates this Book to Mr. John Twombly

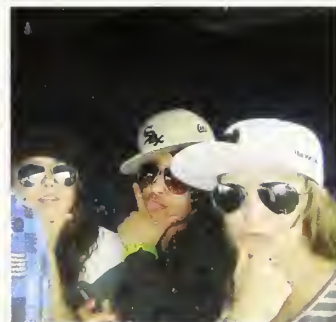

Though Mr. Twombly retired last year, he left a lasting imprint on the senior class. Mr. Twombly wasn't necessarily someone you had to have as a teacher for him to make an impact on your life. He went out of his way to form connections with students & always brought a smile to our faces. As a Vietnam War veteran, he has earned the respect of the entire student body & we will always be thankful for his service to our country. We all miss seeing his smiling face in the hallway & sharing great memories with him. Mr. Twombly was always so giving and always had a stash of root beer barrels in his bag to share. He will forever be in our hearts here at Manchester Essex & whenever he wants to visit, we will greet him with open arms. Thank you, Mr. Twombly, for all that you have done for us.

Love,
The Class of 2015

CANDIDS

Dear Mrs. Lumsden and Sr. Magers,

Mary and Magers, you two truly are the dynamic duo! The two of you took on a great challenge when you agreed to be our advisors sophomore year, and we couldn't be more thankful for it. You worked fantastically together, but it was your individual personalities and general awesomeness that has gotten us as far as you did.

Magers, what can we say about you that people don't already know? You're crazy, nuts about the environment, loud, addicted to coffee, and exactly the person we needed to whip us into shape. Your fun personality and amazing work ethic make an absolutely killer combo. You're the guy to make sure that we take the first step into a new project, and the second step, and the last, and every single step in between. We couldn't be more thankful.

Mary, you are like a mother to this class. You're there to guide us and to make sure we are on the right track through every twist and turn; and the joy that you bring to every Thursday morning is indomitable. You are one of the sweetest people in the entire school, but you are not to be messed with. We cannot express the amount of respect our class has for you.

So thank you to the dynamic duo, the brave souls that took on the challenge that is the class of 2015, the champions of the board room every Thursday morning between 7:00 and 7:45 AM. It's because of you two that we are here today, and we are ever grateful.

Here's to you,
The class of 2015

Dear Class Of 2015,

It has been a pleasure to have grown up alongside of you all. Even though time has passed us quickly, we have cherished every moment and have made countless memories together. Each one of us has become a part of the Manchester Essex family. We all bring a certain kind of spirit, and we are united when we are together. It's crazy to think our journey here is coming to an end and that our future is so close upon the horizon, but even with putting our high school years in the past, we will always reflect on what made us who we are today and who we will become. It is because of how we all have developed into such profound individuals, we have risen upon so many challenges, and accomplished great feats of enormous effort.

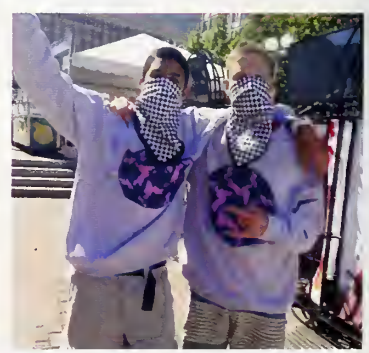

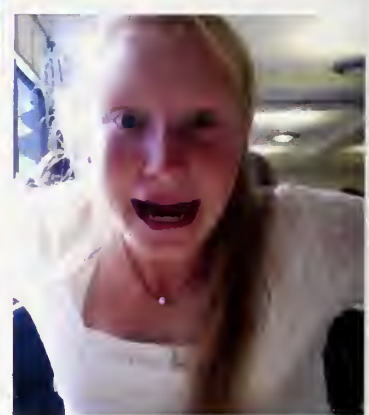

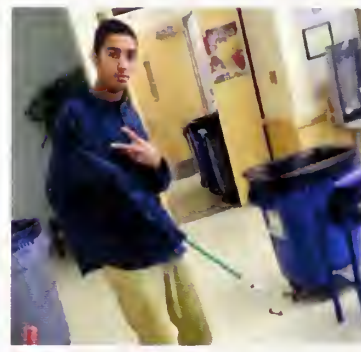

We truly hope this yearbook serves as a way to commemorate the tremendous memories made in the past four years. This book shares some of the most extraordinary moments in our class, and we hope it helps you all reflect on the time when we were all together and just discovering what the beginning of an independent life feels like. We hope you take every moment as it comes, that you find happiness in whatever path you take, and that you never forget where you came from.

Your Editors,
Courtney MacDougall & Emily Jaworski

And the seasons they go round
and round and the painted
ponies go up and down
We're captive on the carousel
of time

We can't return we can only look
behind from where we came
And go round and round and
round in the circle game

~Joni Mitchell, 'Circle Game'

We Love You!!
